Focus of the meeting: All Saints Day

Welcome – opening prayer

Discuss All Saints Day

- What is a Saint?
- What Saints do people know about?
- How did they become Saints?

Faith Team decided they wanted to send home love hearts for children and families to write the names of loved ones on.

Children can then bring these in to present during a class liturgy on the 1st of November. These hearts can then stay on the school altar so that they can be prayed for throughout the month of November.

Faith team to make the love hearts and distribute to classes.

Closing prayer.

Resources - Prayer bags, prayers, rosary beads.

All Saints Day – message to staff and parents

Deliver the hearts to classes to go home.
