

HOLY ROSARY RC PRIMARY

“I come that they may have life and have life to the full”
John: 10:10

Week Beginning - 27th January 2025

Tales of the Toymender

This week our children were extremely fortunate to have a visit from Oldham Theatre workshop who brought six professional actors, technical crew, live music, a touring set, lights and sound equipment. They performed the play “Tales of the Toymender” followed by a theatre workshop which was awarded to Year 5. The children absolutely loved it !

Next Friday, Sue, our much loved school cook retires from Holy Rosary after more than 40 years. We are sure you will join us in wishing her good luck and all the best for the future.

Jubilee Year of Hope

Continuing on from the introduction to our Year of Hope, in last weeks Newsletter. This week we are happy to share the events during our Launch day.

The children started the day by joining together in a reflection and explored the themes related to the Jubilee Year of Hope. The children shared some fantastic ideas and showed really deep thinking around faith. The children started the day by joining together in a reflection and explored the themes related to the Jubilee Year of Hope. The children shared some fantastic ideas and showed really deep thinking around faith.

For the rest of the day they were exploring symbols, and thinking about what these represents. They engaged in art activities - visit our class Twitter pages to see more.

School Linking Project

As part of our work with the school linking project, our year three class have been linked with Mayfield primary School.

This project is a great way for children to meet other children from across the local authority, engaging in activities and sharing ideas. On Tuesday Mayfield came to Holy Rosary and as you will see from Twitter, a great day was had by all.

Enrich Orienteering

You may have noticed around the playground, some small signs that contain numbers, symbols and letters. They are part for new resource we've had installed by Enrich Education.

These will be used by teachers to engage children in cross curricular activities but in the outdoor environment. We are also going to use these at playtimes and lunchtimes for children to solve puzzles and clues.

Next Week
Tuesday 28th January
Health Champions event
Tuesday 28th January
3.15pm Year 3/4
Dodgeball @ Hathershaw
Wednesday 29th January
