

HOLY ROSARY RC PRIMARY

“I come that they may have life and have life to the full”
John: 10:10

Week Beginning - 10th February 2025 Jubilee Year of Hope

Prayer Stations are a great way to engage in prayer in a creative way. Last week, our prayer stations were around the theme of **HOPE** as part of our engagement in celebrating the Jubilee year.

The children made doors, blew bubbles, held hands and lay their footprints - all with a focus on **Hope**.

Children's Mental Health Week

This week is Children's Mental Health Week and we have had lots of activities in school. The children have been involved in breathing strategies to help them relax and also gratitude activities to help them recognise the positive things in life.

Mrs Green has asked the children in Key Stage 2 to do a survey to help us find out what worries our children have, This will help us find ways to help and access support for our children in regards mental health and emotional well-being.

Learning With Parents

This week we have launched our reading log with Learning with Parents. The response has been phenomenal and it has been lovely to see photographs of children reading and hear recordings. Please be reminded that if you cannot access it, let us know or contact Learning with Parents directly.
