Week Beginning - 3rd March 2025

Hulme Grammar

This week some of our Year 5 children have attended Hulme Grammar to be part of an “Enquiring mind project”. These sessions are intended to help more able scientists and mathematicians gain further enjoyment of studying Maths and Science, and apply their knowledge at greater depth.

The feedback on our children’s engagement and behaviour in this project was amazing and they made us proud...Well Done !

Learning with Parents

What an amazing start we have had to our Learning with Parents resource. We have had 217 parents who have signed up. It has been incredible to see the children engaging in the activities with their families and sharing these with us on the Learning with parents portal. The excitement continues when the children share these and talk about them in class. There are so many images we could share but here are just a couple.

Next week is World Book Week and the theme is Read our way. On your child’s reading log, we have set the challenge of finding the most unusual way to read a book....we cant wait to see these and share the winners on next weeks newsletter.

World Book week

As next week is World Book day, we have lots of activities to share. To make life a little easier, we have shared these in a letter earlier this week. if you missed it, it can be found on the home page of our school website.
