

Breakfast Club – Summer Term 2021

We are now in a position where we can offer some breakfast club provision for the Summer Term – starting 12th April 2021.

In line with our COVID risk assessment and guidance in place, we have to ensure bubbles remain together and limit the risk of cross contamination. Breakfast club will follow the guidance below:

- Breakfast club will be offered for children in Reception - Year 6
- Breakfast club will begin on Monday 12th April
- Breakfast club will be run by teaching assistants linked to the bubbles they work with. Your child's breakfast club will take place in one of the classrooms linked to your child's bubble in order to reduce interactions between large groups of children.
- In Key Stage 2, children will enter breakfast club via their classroom outside door and go in to the Breakfast club space.
 - Year 3 & 4 in Year 3 classroom
 - Year 5 & 6 in Year 5 classroom
 - Children in Year 1 & 2 will go straight to Year 1 and they will have breakfast club in that classroom.
- Breakfast club will run from 8.15am. Parents must not queue or congregate outside classroom doors. We expect them to follow social distancing guidance set for all children and parents.
- Parents should not be coming on school property until 8.10 am at the earliest. Staff may ask parents who arrive early to wait outside the school gates.
- Breakfast club will be charged at £2 per day and must be paid in advance. The booking system has been set up via parent app.
- Each week parents must book places for breakfast club for the following week before 4pm Thursday.
- Late bookings will not be accepted and places will not be allocated.
- Payment must be sent in an envelope with your child to their class teacher or paid at the school office.
- Payments must be made for the following week by 4 pm Thursday.
- A new parents app form will open for each week, so please do not book multiple weeks. These will be dated to ensure you are booking the right week.
- The same protocol that is in place for children and parents of Holy Rosary RC will still be applied for children attending breakfast club i.e. only one parent can bring children to school, social distancing must be followed

If you would like to book a place, please do so on the Forms and Events Booking section of the app.

Please remember, this will be a new form EVERY FRIDAY.
