Dear parents

As we move forward towards Easter, through the period of Lent, we are reflecting on the events that led to Jesus's death and resurrection. In school we are reflecting on these events through class activities and prayer sessions.

Under normal circumstances, we would be inviting parents into school to celebrate with us by attending our Easter play or joining in our prayer stations events. Unfortunately due to Covid, it is not possible to invite parents into school.

What I would like to do is create a small Easter prayer garden which can be seen by everyone on the way into school. We are going to create this in the small flowerbed at the bottom of the school path and we are looking for your help. We are asking that if possible, your child brings a small plant to school on Wednesday 24th March which will then be planted and added to the garden. This will then become a shared celebration for us all to enjoy.

This garden will reflect the events related to Easter and we will do this by adding the things below.

- ✝ We will create a pathway to show the journey Jesus took.
- ✝ We will add the 3 crucifixes to symbolise where Jesus was crucified
- ✝ We will create a small opening with a large stone which will show the tomb in which they placed his body
- ✝ To show new life – symbolic of Jesus rising from the dead, we will plant flowers around the garden
- ✝ We will place prayers around the garden which can be used during Lent. These will be written by children
- ✝

We can't wait for you to see the finished product and really appreciate your help.

Thanks
Mrs Cavanagh
