

Dear Parent or Guardian

Your child will be attending a special author event, organised by Seven Stories.

Thursday 13th May – The curious case of a Hip Hop poet

To celebrate the publication of his new book, *The Curious Case of Karl Nova*, we are hosting a digital event with author Karl Nova.

Hip Hop Artist Karl Nova has been inspiring children to create their own poems and express themselves through verse for years. He will be talking to audiences about his new book *The Curious Case of Karl Nova* and will be performing poetry as well as helping participants create their own poems. Karl will show students poetry is not boring and everyone can do it, as he takes them on a journey showing them how to take the raw material of their experiences to build verses.

There will be the opportunity to buy a signed copy of Karl's new book.

We look forward to your event, it promises to be an exciting and inspiring day!

Many thanks,
Seven Stories

Karl's second anthology is a collection of very personal poetry and is based on his own unique story.

From the UK to Nigeria, and back again, Karl seeks to share his life journey, and explain how it has shaped who he has become today.

What would you do and how would you feel if you were suddenly taken away from all that you know?

Read on, and you will find out how Karl responded, in this very particular and curious case....
