Your child will be attending a special author event, organised by Seven Stories.

**Wednesday 16<sup>th</sup> June – Future Friend with David Baddiel**

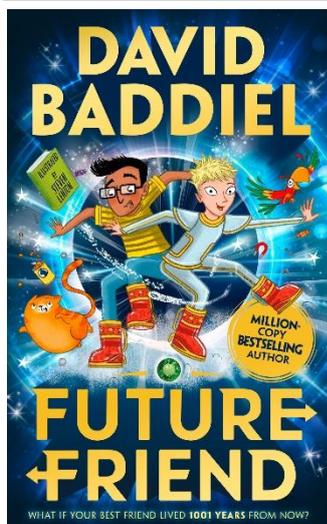

To celebrate the publication of his new book, *Future Friend*, we are hosting a digital event with author David Baddiel.

Comedian and award-winning author David Baddiel's wildly entertaining adventure stories for young readers have sold over 1.5 million copies in the UK and been translated across the globe. David will be talking about his latest blockbuster *Future Friend*, a terrifically entertaining time-slip adventure that combines action, friendship, laugh-out-loud humour, talking animals and militant chickens!

There will be the opportunity to buy a signed copy of David's new book.

We look forward to your event, it promises to be an exciting and inspiring day!

Many thanks,  
Seven Stories

The year is 3020. Pip@256X#YY.3\_7 is lonely and bored: she goes to virtual school on her G-Glasses, she only has a talking cat and parrot to hang out with, and she can't even leave her LivingSpace due to the extreme heat and floods outside. Until the day that Pip explores a glowing ring in a lab and finds herself in a warehouse, in 2019. Where she meets boy-inventor Rahul - who is also lonely and bored. Together, Rahul and Pip are no longer lonely.

But they have a whole load of new problems, including hiding talking animals from Rahul's parents, and finding a way back to the future. Plus - just maybe - saving the world... *Future Friend* is a terrifically entertaining time-slip adventure that combines action, laugh-out-loud humour and the importance of friendship, in a story that asks the question - what would happen if your best friend came from the future?
