

Dear Parent or Guardian

Your child will be attending a special author event, organised by Seven Stories.

Tuesday 29th June – Welcome to FACTopia! with author Kate Hale

To celebrate the publication of her new book, *FACTopia!* we are hosting a digital event with author Kate Hale.

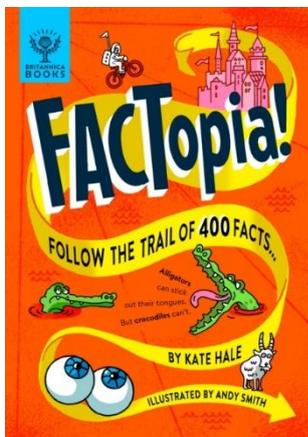

The FACTopia! Quiz Show is based on the brand new nonfiction book *FACTopia!* Follow the Trail of 400 Facts. With your host and author of the book, Kate Hale, dive into this world of hilarious facts with a series of 3 multiple choice quizzes and find out what inspired her to write *FACTopia!*, from the spider crawling up her wall, to her favourite donut!

Kate Hale is a former executive for National Geographic Kids' Books and she also co-created and hosted the award-winning kids radio program *The Weird But True Show!* on SiriusXM.

There will be the opportunity to buy a signed copy of Kate's new book.

We look forward to your event, it promises to be an exciting and inspiring day!

Many thanks,
Seven Stories

Welcome to *FACTopia!* A wonderland of crazily connected facts. Did you know that a squid has a brain shaped like a doughnut? Or that some butterflies drink turtle tears? Every Britannica-verified fact in the book is connected to the next in an ingenious trail of information. Hop from topic to topic in unexpected and hilarious ways, and discover extraordinary facts about space, bones, dinosaurs, goats, spiders, crocodiles, sharks, robots, Ancient Rome, kings and queens, pharaohs, and more.

But there's not just one trail through these pages: sometimes your path branches and you can choose to jump to a totally different (but still connected) part of the book. Discover where your curiosity will take you!
